Thanks for letting me know. Actually, I was going to give you an email this morning as there was a note on my desk when I got in saying that ADA Max Bennett was probably going to need me today in Holyoke as a case of his "looks like it is going to trial today". Of course, this was the first I've heard of this case, so I didn't have the chance to warn you or anything. Thanks again.

Take care,

Sonja

Hi Sonja,

Just wanted to give you a heads up that this case is going to be continued -- the defense attorney has been sick on and off for the past couple of weeks and isn't prepared to go forward tomorrow.
